March Artist of the Month: Nancy Richmond

Nancy, a Dedham native, is a long-time art enthusiast and a promoter of art enrichment programs in her community. Retired from a career in Nursing, she has enjoyed exploring art through both painting and photography.

Nancy was the President of the Dedham Art

Association (2012-2016). Currently, she is sharing the Co-Presidency in her 5th season.

Says Nancy, "I've always enjoyed seeing the art in everyday objects and in my surroundings. Translating what I observe and what I put on canvas is both a challenge and a joy. I'm particularly drawn to evocative landscapes and changing skies."

"Much of my art has been influenced by my travels to South Carolina. The beauty of the area and its history can be both peaceful and stimulating. Painting becomes the order of the day."

"View from the Point" by Nancy Richmond

New Members – Welcome to **Julie Early**, manager at the Bradley Estate, Canton, who is an art supporter and **Jane Sarly** of Needham who is interested in watercolors.

In Remembrance -- Earl ("Bud") Randall

We sadly announce the passing of DAA member, Earl Randall. He was the father of long-time member, Beverly McNeill. We'll remember his beautiful oil paintings and the Dedham Art Association hand-painted sign he created that we proudly display at meetings.

Where Do You Like to Sketch or Paint Outdoors?
